

Odpovedať na všetko iba „nie“ bolo veľmi zábavné.

Paulínka si mohla robiť, čo sa jej zachcelo.

– Paulínka, uprac si izbu, prosím ťa.

– Nie.

Saying “no” to everything was super fun.

Paula could do what she wanted.

– Paula, tidy your room, please.

– No.

– Paulínka, prosím ťa, prezleč sa.

– Nie.

– Paula, change your clothes, please.

– No.

– Paulínka, prosím ťa, choď sa okúpať.

– Nie.

– Paula, please, go, take a bath.

– No.

– Paulínka, prosím t'a, odnes si tanier do drezu.

– Nie.

– Paula, please, put your plate into the kitchen sink.

– No.

Celá izba bola hore nohami. Ale Paulínke to neprekážalo. Jej malý chaos sa jej páčil.

– Paulínka, prosím, obleč si pyžamo. – Nie.

– Paulínka, prosím ťa, choď do postele. – Nie.

– O chvíľu to tu bude vyzerat' ako v džungli, – vzdychla si napokon mamička a pobožkala dcéru na dobrú noc.

The whole room was upside down. But Paula didn't care. She cherished her little chaos.

– Paula, put on your pyjamas, please. – No.

– Paula, go to bed, please. – No.

– This place will soon look like a jungle, – sighed her mommy as she was kissing her goodnight.
